**As a global leader in the  
air-conditioning market,  
we depend on our refrigerants.  
Now you can, too.**

**Daikin is the only company in the world dedicated to manufacturing both air conditioning systems and refrigerants.**

For nearly 80 years, Daikin has been providing refrigerant solutions worldwide to the HVACR industry, supporting both OEMs and After Market clients. We are known for our high quality products, global supply chain, and extraordinary customer service/support. R-134a, R-404A, R-407C, R-410A, and R-22 are available by bulk transfer, returnable cylinders, and disposable cylinders.
